

SPECIAL CONDITIONS FOR PROFESSIONAL INDEMNITY INSURANCE

EXALI AG FRAMEWORK AGREEMENT

In addition to the agreed conditions of insurance, the following special conditions also apply to exali AG (last updated: 05/2021):

1. General

1. exali online conditions

The conditions of this insurance contract apply only for as long as this insurance contract is managed by exali AG. In the event of a change of broker, this contract shall be converted to the generally applicable premium of the insurance provider Markel on the next premium due date. The currently agreed conditions can no longer be continued after a change of broker, since this is a special concept tied to exali AG.

2. exali online application – simplified application

If the contract is concluded using the exali online application, then answering the questions in the online form in full is considered sufficient.

3. exali annual report – simplified contractual obligations

Responding to the online annual report in the exali customer area in good time is considered sufficient for annual notification of changes.

4. Start-ups and founders of new businesses

For start-ups and founders of new businesses, the premium presented includes a discount of 15 %. This discount expires automatically after the 2nd year of insurance.

Definition of start-ups and founders of new businesses:

- Companies that were founded no more than 12 months ago.
- Self-employed person and freelancers who began operations no more than 12 months ago.
